

AGVSPORT™

For discerning motorcycle enthusiasts.

AGV Sport's three quarter length touring/adventure jacket.

Multi layer Dura Guard textile jacket that is 100% windproof and waterproof with high abrasion resistance for optimum protection, durability and comfort.

Multiple stitched main seam construction for maximum tear resistance.

Constructed with a permanent waterproof yet breathable Reissa membrane between the outer layer and liner.

Removable and washable quilted liner zips in over a permanent mesh lining.

Moisture wicking material is used in the collar for maximum rider comfort.

8mm thick memory foam back padding.

Equipped with a collar snap so the jacket may be used comfortably when open at the neck.

CE approved dual-density shoulder and elbow protectors.

Zip open air vents are positioned on the shoulders and back.

Reflective piping is used on the shoulders, upper arms and rear of the jacket for safety.

Velcro secured wind flap over the two way main entry zipper.

Pre curved arms for a perfect look, fit and for maximum riding comfort.

Genuine YKK zippers throughout.

Outer pockets include; Four front horizontal entry pockets, two front vertical entry pockets in the chest area, one left sleeve pocket and a large rear pocket that can hold the quilted liner once removed.

Dual sleeve gather snaps are used on each arm for maximum comfort.

Waist connection zipper for pant attachment.

Adjustable Velcro waist, collar and cuff straps.

Elastic waist gatherer is positioned in the rear of the jacket.
